Dear Sir:

An Information Disclosure Statement was filed on December 3, 2004. The December 3 IDS was filed within three months of when the references were first cited in any communication from a foreign patent office in a counterpart foreign application. Consequently, the Information Disclosure Statement should be considered timely and consideration thereof is requested. On February 2, 2005, a Supplemental Information Disclosure Statement was submitted. The Supplemental IDS was meant to convey that information, but was actually filed more than three months after the references were first cited in a communication from a foreign patent office.

The Director is hereby authorized and requested to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1073, under Order No. R2184.0080/P080.

Dated: March 2, 2005

Respectfully submitted,
